## Product Datasheet

### [KO Validated] NBS1/NBN Rabbit pAb, Unconjugated, Polyclonal ABB-A0783

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Article Name               | [KO Validated] NBS1/NBN Rabbit pAb, Unconjugated, Polyclonal                                    |
| Biozol Catalog Number      | ABB-A0783                                                                                       |
| Supplier Catalog Number    | A0783                                                                                           |
| Alternative Catalog Number | ABB-A0783-100UL, ABB-A0783-20UL                                                                 |
| Manufacturer               | ABclonal                                                                                        |
| Host                       | Rabbit                                                                                          |
| Category                   | Antikörper                                                                                      |
| Application                | ELISA, IHC-P, WB                                                                                |
| Species Reactivity         | Human                                                                                           |
| Immunogen                  | Recombinant protein (or fragment). This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                                    |
| Clonality                  | Polyclonal                                                                                      |
| Molecular Weight           | 85kDa                                                                                           |
| NCBI                       | <a href="#">4683</a>                                                                            |
| UniProt                    | <a href="#">O60934</a>                                                                          |
| Purity                     | Affinity purification                                                                           |

|                    |                                                                                                                                                                                                                                                                                        |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:1000 IHC-P,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                                                                                                 |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics Nuclear Signaling,DNA Damage Repair,Protein phosphorylation,Cancer,Tumor suppressors,ATM Signaling Pathway,Cell Biology Developmental Biology,Cell Cycle,Cell Cycle Control-G2 M DNA Damage Checkpoint. Shipping: Ice Bag |
