## Product Datasheet

### **Creatine kinase B type (CKB) Rabbit pAb, Unconjugated, Polyclonal ABB-A12631**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Creatine kinase B type (CKB) Rabbit pAb, Unconjugated, Polyclonal      |
| Biozol Catalog Number      | ABB-A12631                                                             |
| Supplier Catalog Number    | A12631                                                                 |
| Alternative Catalog Number | ABB-A12631-500UL, ABB-A12631-100UL, ABB-A12631-20UL, ABB-A12631-1000UL |
| Manufacturer               | ABclonal                                                               |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | ELISA, IHC-P, WB                                                       |
| Species Reactivity         | Human                                                                  |
| Immunogen                  | This information is considered to be commercially sensitive.           |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | 43kDa                                                                  |
| NCBI                       | <a href="#">1152</a>                                                   |
| UniProt                    | <a href="#">P12277</a>                                                 |
| Purity                     | Affinity purification                                                  |

|                    |                                                                                                                                                                         |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:1000 - 1:3000 IHC-P,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Cancer,Signal Transduction,Kinase,Endocrine Metabolism,Neuroscience. Shipping: Ice Bag                                 |
