## Product Datasheet

### Human IgM Rabbit mAb, Unconjugated, Monoclonal ABB-A19719

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Article Name               | Human IgM Rabbit mAb, Unconjugated, Monoclonal                                                  |
| Biozol Catalog Number      | ABB-A19719                                                                                      |
| Supplier Catalog Number    | A19719                                                                                          |
| Alternative Catalog Number | ABB-A19719-100UL, ABB-A19719-20UL                                                               |
| Manufacturer               | ABclonal                                                                                        |
| Host                       | Rabbit                                                                                          |
| Category                   | Antikörper                                                                                      |
| Application                | ELISA, IHC-P, WB                                                                                |
| Species Reactivity         | Human                                                                                           |
| Immunogen                  | Recombinant protein (or fragment). This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                                    |
| Clonality                  | Monoclonal                                                                                      |
| Molecular Weight           | 49kDa                                                                                           |
| NCBI                       | <a href="#">3507</a>                                                                            |
| UniProt                    | <a href="#">P01871</a>                                                                          |
| Purity                     | Affinity purification                                                                           |

|                    |                                                                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:1000 IHC-P,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes  | Cross-Reactivity: Human. ResearchArea: Immunology Inflammation. Shipping: Ice Bag                                                                                      |
