## Product Datasheet

### **TIR1 Rabbit pAb, Unconjugated, Polyclonal ABB-A21276**

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | TIR1 Rabbit pAb, Unconjugated, Polyclonal                                       |
| Biozol Catalog Number      | ABB-A21276                                                                      |
| Supplier Catalog Number    | A21276                                                                          |
| Alternative Catalog Number | ABB-A21276-100UL, ABB-A21276-20UL                                               |
| Manufacturer               | ABclonal                                                                        |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | ELISA, WB                                                                       |
| Species Reactivity         | A. thaliana                                                                     |
| Immunogen                  | Synthetic peptide. This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                    |
| Clonality                  | Polyclonal                                                                      |
| Molecular Weight           | 67kDa                                                                           |
| NCBI                       | <a href="#">825473</a>                                                          |
| UniProt                    | <a href="#">Q570C0</a>                                                          |
| Purity                     | Affinity purification                                                           |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Application Notes  | Cross-Reactivity: Arabidopsis thaliana. Shipping: Ice Bag                                                                                           |
