## Product Datasheet

### **[KD Validated] COX IV Rabbit pAb, Unconjugated, Polyclonal ABB-A22871**

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Article Name               | [KD Validated] COX IV Rabbit pAb, Unconjugated, Polyclonal                                      |
| Biozol Catalog Number      | ABB-A22871                                                                                      |
| Supplier Catalog Number    | A22871                                                                                          |
| Alternative Catalog Number | ABB-A22871-20UL, ABB-A22871-100UL                                                               |
| Manufacturer               | ABclonal                                                                                        |
| Host                       | Rabbit                                                                                          |
| Category                   | Antikörper                                                                                      |
| Application                | ELISA, IF, IHC-P, WB                                                                            |
| Species Reactivity         | Human                                                                                           |
| Immunogen                  | Recombinant protein (or fragment). This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                                    |
| Clonality                  | Polyclonal                                                                                      |
| Molecular Weight           | 20kDa                                                                                           |
| NCBI                       | <a href="#">1327</a>                                                                            |
| UniProt                    | <a href="#">P13073</a>                                                                          |
| Purity                     | Affinity purification                                                                           |

|                    |                                                                                                                                                                                                                                      |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:1000 IHC-P,1:50 - 1:200 IF/ICC,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                           |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Cancer,Signal Transduction,Endocrine Metabolism,Mitochondrial metabolism,Mitochondrial markers,Oxidative phosphorylation,Neuroscience,Neurodegenerative Diseases. Shipping: Ice Bag |
