| Article Name               | TriMethyl-Histone H3-K14 Rabbit pAb, Unconjugated                                                                                                                             |
| Biozol Catalog Number      | ABB-A5279                                                                                                                                                                     |
| Supplier Catalog Number    | A5279                                                                                                                                                                         |
| Alternative Catalog Number | ABB-A5279-20UL, ABB-A5279-100UL                                                                                                                                               |
| Manufacturer               | ABclonal                                                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                    |
| Application                | ELISA, IF, WB                                                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                                                         |
| Immunogen                  | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                               |
| Conjugation                | Unconjugated                                                                                                                                                                  |
| Molecular Weight           | 15 kDa                                                                                                                                                                        |
| NCBI                       | <a href="#">8290</a>                                                                                                                                                          |
| UniProt                    | <a href="#">Q16695</a>                                                                                                                                                        |
| Purity                     | Affinity purification                                                                                                                                                         |
| Application Dilute         | WB, 1:100 - 1:500   IF/ICC, 1:50 - 1:200   ELISA, Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                   |                                                                                                                                                                                                             |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | Cross-Reactivity: Human,Mouse,Rat,Other (Wide Range Predicted).<br>ResearchArea: Epigenetics Nuclear Signaling,Protein phosphorylation,Signal Transduction,MAPK-Erk Signaling Pathway.<br>Shipping: Ice Bag |
