## Product Datasheet

### Phospho-S6 Ribosomal Protein (RPS6)-S240/244 Rabbit pAb, Unconjugated ABB-AP0537

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | Phospho-S6 Ribosomal Protein (RPS6)-S240/244 Rabbit pAb, Unconjugated           |
| Biozol Catalog Number      | ABB-AP0537                                                                      |
| Supplier Catalog Number    | AP0537                                                                          |
| Alternative Catalog Number | ABB-AP0537-100UL, ABB-AP0537-20UL                                               |
| Manufacturer               | ABclonal                                                                        |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | ELISA, IHC-P, IP, WB                                                            |
| Species Reactivity         | Human                                                                           |
| Immunogen                  | Synthetic peptide. This information is considered to be commercially sensitive. |
| Conjugation                | Unconjugated                                                                    |
| Molecular Weight           | 29kDa                                                                           |
| NCBI                       | <a href="#">6194</a>                                                            |
| UniProt                    | <a href="#">P62753</a>                                                          |
| Purity                     | Affinity purification                                                           |

|                    |                                                                                                                                                                                                                                                                          |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB,1:500 - 1:2000 IHC-P,1:50 - 1:200 IP,0.5µg-4µg antibody for 200µg-400µg extracts of whole cells ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                     |
| Application Notes  | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics Nuclear Signaling,RNA Binding,Translation Control,Regulation of eIF4 and p70 S6 Kinase,Protein phosphorylation,Signal Transduction,PI3K-Akt Signaling Pathway,MAPK-Erk Signaling Pathway. Shipping: Ice Bag |
