| Product Description        | Duloxetine impurity 7 (Duloxetine impurity E) is an impurity of Duloxetine....          |
| Molecular Weight           | 297.41                                                                                  |
| CAS Number                 | [1033803-59-6]                                                                          |
| Formula                    | C18H19NOS                                                                               |
| Target                     | Drug Intermediate                                                                       |
| Application Notes          | MCE Product type: Reference compound                                                    |
