## Product Datasheet

### **ASTM Method D5191 Vapor Pressure - 22.5 kPa (3.26 psi), CAS [[110-82-7]] LGC-DRE-GS09010491**

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ASTM Method D5191 Vapor Pressure - 22.5 kPa (3.26 psi), CAS [[110-82-7]] |
| Biozol Catalog Number      | LGC-DRE-GS09010491                                                       |
| Supplier Catalog Number    | DRE-GS09010491                                                           |
| Alternative Catalog Number | LGC-DRE-GS09010491                                                       |
| Manufacturer               | Dr. Ehrenstorfer                                                         |
| Category                   | Biochemikalien                                                           |
| Molecular Weight           | 84.16                                                                    |
| Form                       | Single Solution                                                          |
| CAS Number                 | [110-82-7]                                                               |
| Formula                    | C6 H12                                                                   |
