| Article Name               | 12(S)-hydroxy-16-Heptadecynoic Acid, CAS [[148019-74-3]]                             |
| Biozol Catalog Number      | TGM-T22472                                                                           |
| Supplier Catalog Number    | T22472                                                                               |
| Alternative Catalog Number | TGM-T22472-1MG, TGM-T22472-5MG, TGM-T22472-10MG                                      |
| Manufacturer               | TargetMol                                                                            |
| Category                   | Biochemikalien                                                                       |
| Product Description        | The compound is a mechanism-based inhibitor of cytochrome P450 omega-hydroxylase.... |
| Molecular Weight           | 282.42                                                                               |
| CAS Number                 | [148019-74-3]                                                                        |
| Formula                    | C17H30O3                                                                             |
| Target                     | Others   Prostaglandin Receptor                                                      |
