## Product Datasheet

### **DNK 333, CAS [[398507-81-8]] TGM-T69295**

|                            |                                                              |
|----------------------------|--------------------------------------------------------------|
| Article Name               | DNK 333, CAS [[398507-81-8]]                                 |
| Biozol Catalog Number      | TGM-T69295                                                   |
| Supplier Catalog Number    | T69295                                                       |
| Alternative Catalog Number | TGM-T69295-25MG,TGM-T69295-50MG,TGM-T69295-100MG             |
| Manufacturer               | TargetMol                                                    |
| Category                   | Biochemikalien                                               |
| Product Description        | DNK 333 is a dual neurokinin NK1/NK2 receptor antagonist.... |
| Molecular Weight           | 624.4                                                        |
| CAS Number                 | [398507-81-8]                                                |
| Formula                    | C27H25Cl2F6N3O3                                              |
| Target                     | Others                                                       |
