## Product Datasheet

### **VCH-916, CAS [[1200133-34-1]] TGM-TQ0122**

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| Article Name               | VCH-916, CAS [[1200133-34-1]]                                       |
| Biozol Catalog Number      | TGM-TQ0122                                                          |
| Supplier Catalog Number    | TQ0122                                                              |
| Alternative Catalog Number | TGM-TQ0122-2MG,TGM-TQ0122-5MG                                       |
| Manufacturer               | TargetMol                                                           |
| Category                   | Biochemikalien                                                      |
| Product Description        | VCH-916 is a new nonnucleoside inhibitor of HCV NS5B polymerase.... |
| Molecular Weight           | 497.73                                                              |
| CAS Number                 | [1200133-34-1]                                                      |
| Formula                    | C26H36KNO4S                                                         |
| Target                     | HCV Protease                                                        |
