| Alternative Catalog Number | BSS-BSM-61259R-BF405-20                                                                                                                                                                                                |
| Manufacturer               | Bioss                                                                                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                                                                                             |
| Application                | WB                                                                                                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                      |
| Conjugation                | BF405                                                                                                                                                                                                                  |
| Product Description        | Co-chaperone for HSP70 and HSC70 chaperone proteins. Acts as a nucleotide-exchange factor (NEF) promoting the release of ADP from the HSP70 and HSC70 proteins thereby triggering client/substrate protein release.... |
| Clonality                  | Recombinant                                                                                                                                                                                                            |
| Concentration              | Lot dependent                                                                                                                                                                                                          |
| NCBI                       | <a href="#">9532</a>                                                                                                                                                                                                   |
| UniProt                    | <a href="#">O95816</a>                                                                                                                                                                                                 |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human BAG2                                               |
| Purity             | Purified by Protein A.                                                                                 |
| Target             | BAG2                                                                                                   |
| Antibody Type      | Primary Antibody                                                                                       |
| Application Dilute | WB(1:300-5000)                                                                                         |
