| Species Reactivity         | Human, Primate                                                                                                                                                                                                                                                |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | Monoclonal antibody specific for apoE, This monoclonal antibody enables sensitive and specific detection of monkey apoE in immunoassays such as ELISA., We recommend E981 as capture antibody in ELISA in combination with biotinylated detection antibody... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [E981]                                                                                                                                                                                                                                                        |
| Isotype                    | IgG2a                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">348</a>                                                                                                                                                                                                                                           |

|                   |                                                                                                                                                                                                                                                                                                 |
