| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Drosophila                                                                                                  |
| Clonality                  | Polyclonal                                                                                                  |
| Concentration              | 500 µg/ml                                                                                                   |
| NCBI                       | <a href="#">34093</a>                                                                                       |
| UniProt                    | <a href="#">Q9VLU2</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Target             | protein-glutamine gamma-glutamyltransferase   |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
