| Article Name               | Anti-KCNT2/Slo2.1/Slick K+ channel [N11/33], Mouse IgG1, kappa, Monoclonal    |
| Biozol Catalog Number      | ABA-AB02126-1.1-BT                                                            |
| Supplier Catalog Number    | Ab02126-1.1-BT                                                                |
| Alternative Catalog Number | ABA-AB02126-1.1-BT                                                            |
| Manufacturer               | Absolute Antibody                                                             |
| Host                       | Mouse                                                                         |
| Category                   | Antikörper                                                                    |
| Application                | IF, IHC, IP, WB                                                               |
| Species Reactivity         | Mouse, Rat                                                                    |
| Product Description        | This antibody was raised by immunising BALB/c mice with the slick antigen.... |
| Clonality                  | Monoclonal                                                                    |
| Clone Designation          | [N11/33]                                                                      |
| Isotype                    | IgG1                                                                          |
| UniProt                    | <a href="#">Q6UVM4</a>                                                        |
| Buffer                     | PBS only.                                                                     |
| Source                     | Mouse                                                                         |

|               |                               |
|---------------|-------------------------------|
| Target        | KCNT2/Slo2.1/Slick K+ channel |
| Antibody Type | Recombinant Antibody          |
