| Article Name               | Recombinant Alpha-Fodrin (SPTAN1), E. coli                                                                         |
| Biozol Catalog Number      | USC-RPA292MU02                                                                                                     |
| Supplier Catalog Number    | RPA292Mu02                                                                                                         |
| Alternative Catalog Number | USC-RPA292MU02-10, USC-RPA292MU02-50, USC-RPA292MU02-100, USC-RPA292MU02-200, USC-RPA292MU02-500, USC-RPA292MU02-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Control, SDS-PAGE, WB                                                                                              |
| Species Reactivity         | Mouse                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 19.7kDa. Accurate Molecular Mass(KD): 24kDa                                          |
| Tag                        | N-terminal His Tag                                                                                                 |
| UniProt                    | <a href="#">P16546</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Source                     | Prokaryotic expression                                                                                             |
| Expression System          | Prokaryotic expression                                                                                             |
| Purity                     | > 97%                                                                                                              |
