| Hersteller               | Nordic BioSite                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                            |
| Applikation              | ELISA, IHC, WB                                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                     |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human GAP43, which shares 95.2% amino acid (aa) sequence identity with both mouse and rat GAP43. |
| Konjugation              | Biotin                                                                                                                                                                |
| Produktbeschreibung      | Anti-GAP43 Antibody . Tested in Flow Cytometry, IF, IHC, WB applications. This antibody reacts with Human, Mouse, Rat....                                             |
| Klonalität               | Polyclonal                                                                                                                                                            |
| Konzentration            | 500 ug/ml                                                                                                                                                             |
| Molekulargewicht         | 50433 MW                                                                                                                                                              |
| NCBI                     | <a href="#">2596</a>                                                                                                                                                  |

|                  |                        |
