| Artikelname              | TNF Receptor Superfamily Member 5 / TNFRSF5 Phospho-Thr254 (CD40 pT254) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX325631                                                                                                          |
| Hersteller Artikelnummer | abx325631                                                                                                          |
| Alternativnummer         | ABX325631-50UG,ABX325631-100UG                                                                                     |
| Hersteller               | Abbexa                                                                                                             |
| Wirt                     | Rabbit                                                                                                             |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | ELISA, WB                                                                                                          |
| Spezies Reaktivität      | Human, Mouse                                                                                                       |
| Immunogen                | Synthesized peptide derived from human CD40 around the phosphorylation site of T254.                               |
| Konjugation              | Unconjugated                                                                                                       |
| Klonalität               | Polyclonal                                                                                                         |
| NCBI                     | <a href="#">958</a>                                                                                                |
| UniProt                  | <a href="#">P25942</a>                                                                                             |
| Puffer                   | PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                      |
| Formulierung             | Liquid                                                                                                             |

|                  |                                                                         |
|------------------|-------------------------------------------------------------------------|
| Target-Kategorie | TNF Receptor Superfamily Member 5 / TNFRSF5 Phospho-Thr254 (CD40 pT254) |
| Antibody Type    | Primary Antibody                                                        |
