## Product Datasheet

### ZGRF1 Antibody, Rabbit, Polyclonal NSJ-F40009-0.4ML

|                          |                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------|
| Artikelname              | ZGRF1 Antibody, Rabbit, Polyclonal                                                                       |
| Artikelnummer            | NSJ-F40009-0.4ML                                                                                         |
| Hersteller Artikelnummer | F40009-0.4ML                                                                                             |
| Alternativnummer         | NSJ-F40009-0.4ML                                                                                         |
| Hersteller               | NSJ Bioreagents                                                                                          |
| Wirt                     | Rabbit                                                                                                   |
| Kategorie                | Antikörper                                                                                               |
| Applikation              | ELISA, IF, IHC, WB                                                                                       |
| Spezies Reaktivität      | Human, Mouse                                                                                             |
| Immunogen                | A portion of amino acids 38-66 from the human protein was used as the immunogen for this ZGRF1 antibody. |
| Produktbeschreibung      | GRF-type zinc finger domain-containing protein 1...                                                      |
| Klonalität               | Polyclonal                                                                                               |
| Konzentration            | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                               |
| Isotyp                   | Rabbit Ig                                                                                                |
| UniProt                  | <a href="#">Q86YA3</a>                                                                                   |
| Puffer                   | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                               |
| Reinheit                 | Antigen affinity                                                                                         |

|                        |                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------|
| Formulierung           | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                           |
| Target-Kategorie       | ZGRF1                                                                                                                |
| Antibody Type          | Primary Antibody                                                                                                     |
| Application Verdünnung | Western blot: 1:1000,IHC (Paraffin): 1:50-1:100,Immunofluorescence: 1:10-1:50                                        |
| Anwendungsbeschreibung | Titration of the ZGRF1 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
