| Hersteller               | Abcepta                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                   |
| Applikation              | FC, IHC-P, WB                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                                                   |
| Klon-Bezeichnung         | [RB28881]                                                                                                                                                                    |
| Molekulargewicht         | 44518                                                                                                                                                                        |
| NCBI                     | <a href="#">389400</a>                                                                                                                                                       |
| UniProt                  | <a href="#">Q6UXV0</a>                                                                                                                                                       |
| Formulierung             | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |

|                  |                                                                                                                                                                        |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie | This GFRAL antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 366-394 amino acids from the C-terminal region of human GFRAL. |
| Antibody Type    | Polyclonal Antibody                                                                                                                                                    |
