### Anti-PIPK I gamma PIP5K1C Antibody, Rabbit BOB-A05687

|                          |                                                                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PIPK I gamma PIP5K1C Antibody, Rabbit                                                                                                      |
| Artikelnummer            | BOB-A05687                                                                                                                                      |
| Hersteller Artikelnummer | A05687                                                                                                                                          |
| Alternativnummer         | BOB-A05687-100UL                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | ELISA, WB                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                               |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human PIP5K1C. AA range:305-354                                             |
| Produktbeschreibung      | Boster Bio Anti-PIPK I gamma PIP5K1C Antibody catalog A05687. Tested in WB, ELISA applications. This antibody reacts with Human, Mouse, Rat.... |
| Konzentration            | 1 mg/ml                                                                                                                                         |
| Molekulargewicht         | 73260 MW                                                                                                                                        |
| UniProt                  | <a href="#">O60331</a>                                                                                                                          |
| Puffer                   | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                         |

|                        |                               |
|------------------------|-------------------------------|
| Reinheit               | Immunogen affinity purified   |
| Formulierung           | Liquid                        |
| Application Verdünnung | WB 1:500-1:2000 ELISA 1:20000 |
