| Alternativnummer         | ASB-ARP31937_P050-25UL,ASB-ARP31937_P050-100UL                                                                                                                                                              |
| Hersteller               | Aviva                                                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                  |
| Applikation              | WB                                                                                                                                                                                                          |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                                                                                               |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human ZBTB48                                                                                                                 |
| Produktbeschreibung      | ZBTB48 contains 1 BTB (POZ) domain and 11 C2H2-type zinc fingers. It belongs to the krueppel C2H2-type zinc-finger protein family and binds to and regulates the J and/or S elements in MHC II promoter.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                  |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                   |
| Molekulargewicht         | 77kDa                                                                                                                                                                                                       |
| NCBI                     | <a href="#">3104</a>                                                                                                                                                                                        |
| UniProt                  | <a href="#">P10074</a>                                                                                                                                                                                      |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
