| Alternativnummer         | USB-141296-200                                                                                                                                                                                                                                                |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                | LRPAP1 (Glu184~Gln298), MGHHHHHHSGSEF- EKIQEYN VLLDTLSRAE EGYENLLSPS DMAHIKSDTL ISKHSELKDR LRSINQGLDR LRKVSHQGYG STTEFEEPRV IDLWDLAQSA NFTEKELESF REELKHFEAK IEKHNHYQ                                                                                         |
| Produktbeschreibung      | Applications: Suitable for use in ELISA, Western Blot, Immunohistochemistry, Immunocytochemistry. Other applications not tested. Recommended Dilution: ELISA: 1:100-200 Western Blot: 1:100-400 Immunocytochemistry: 1:100-500 Immunohistochemistry: 1:100... |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |

|              |                                                                        |
|--------------|------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in PBS, pH 7.2, 0.05% sodium azide, 50% glycerol. |
